Champion's Products Meet the Requirements of USMCA

When customers request product information from Champion Fiberglass, Inc. ("Champion"), it may be for submitting bids (directly or through a prime contractor) for a project in Mexico or Canada.

Under the "rules of origin" requirements of the United States-Mexico-Canada Agreement ("USMCA"), Champion's products "originate" in the USA at Champion's Spring, Texas, USA facility. Therefore, Champion can provide a "Certification of Origin" that complies with USMCA and 19 CFR § 182.12.

As of July 22, 2024, Champion's products are:

- Champion Duct Conduit
- Champion Fiberglass Elbows
- Champion Strut
- Champion Bridge Hangers
- Champion Haz Duct
- Champion Flame Shield Phenolic Conduit
- Champion Bridge Drain

Should you need additional information or a USMCA Certification, please feel free to contact us directly.

Sincerely,

A handwritten signature in blue ink, appearing to read 'C. Kissel', positioned above a horizontal line.

Christopher Kissel
